

next:

next: is a statement
next: is a question
next: reminds us that
we always stand
at a crossroads,
that we are all poets,
all philosophers,
the makers and keepers
of our own dreams,
that we bring wine to our friends
that we might share both
wine and words together,
folded into a moment
on the edge of the next.

Tasting Notes

Color: Medium garnet color.

Nose: Orange peel, plum, cherry, rhubarb, pomegranate and spice.

Flavor: Cherry, plum, strawberry, and hints of vanilla on finish.

Mouthfeel: Lean with balanced fruit and oak expressed.

Recommended pairings: A fine, medium weight pinot noir for everyday drinking, this versatile wine will vastly improve a humble burger or simple pasta dish, but it is an ideal partner for salmon. Try also with rabbit or charcuterie and soft cheeses.
