2015 King Estate Backbone Pinot Gris
WILLAMETTE VALLEY

Each vintage, our winemakers have the ability to ferment and age individual blocks and vineyards separately until they are blended. This allows our winemakers to hand-select individual fruit from a select range of Willamette Valley vineyards. Each vineyard contributes unique nuances and character to this blend, making this wine more than just the sum of its parts. The exceptional quality fruit coming from these storied vineyards provides the backbone for our King Estate Willamette Valley wines.
