

Garden and Produce Laborer

King Estate Winery seeks a Garden and Produce Farmer for the upcoming summer season. This is ideal for a candidate who has a desire to further their skills as a biodynamic/organic vegetable farmer. This position will involve daily plant care, maintenance, pest control, harvesting and processing of the fruits and vegetables produced for our on-site restaurant or community supported agriculture program.

Essential Job Functions:

- Cultivate and maintain plant care
- Harvesting and processing of both fruits and vegetables
- Operation of small power tools and equipment
- General maintenance, irrigation
- Maintain positive communication and teamwork with all co-workers and supervisors

Requirements/Competencies:

- Experience or education in organic horticulture or botany
- Understanding of the operations of a market garden or farm-to-table operation
- Displays an eagerness to work in an agricultural setting while striving for the highest quality production possible
- Strong attention to detail
- Knowledge of basic hand tool operation
- Stand, sit, walk for extended periods of time
- Stoop, reach, kneel or crouch, use hands for duration of shift
- Working environment has exposure to both indoors and outdoors
- Bilingual (English/Spanish) knowledge and tractor or forklift experience a plus
- Covid Vaccine Required

Wage commensurate with experience and qualifications. Please submit your resumé /CV to careers@kingestate.com
